Welcome Message

Dear Friends and Colleagues,

In conjunction with the 30th anniversary of MSIDC, we have put together an exciting update on emerging infectious diseases threats. We have invited renowned local and international speakers to share their knowledge with you. The programme has sessions that will be of interest to clinicians, microbiologists, public health physicians, scientific officers, medical lab technologists and other allied health personnel.

We look forward to your participation.

Professor Dr Zamberi Sekawi
Organising Chairperson
